There are no limits to how you can prepare and train for emergencies and help your community be safer.

What kind of training should I take?

In 95 percent of all emergencies, the victim or a bystander provides the first immediate assistance on the scene. Through Ready Clayton County’s Citizen Corps programs and affiliates, you can prepare for emergencies by getting training in basic first aid and in emergency response skills.

Ready Clayton County...

The mission of Citizen Corps is to have communities participate in making America safer. Councils in your state, county, and local community are encouraging residents to play a role in homeland security through personal responsibility, training, and volunteer service.

To learn more about Citizen Corps and its partners go to www.ReadyClayton.com.

The Community Emergency Response Team (CERT) program provides citizens with training in basic emergency response skills such as fire suppression, light search and rescue, and much more.

Fire Corps promotes the use of citizen advocates to enhance the capacity of fire and rescue departments.

The District 3-3 (Clayton), PHVIP is a community-based program and functions as a way to locally organize and utilize volunteers who want to donate their time and expertise to assist public health in preparing for, and responding to emergencies and disasters.

Volunteers in Police Service enhancing public safety through citizens involvement.

Medical Reserve Corps strengthens communities by helping medical, public health, and other volunteers offer their expertise throughout the year as well as during local emergencies and other times of community need.

USAonWatch empowers residents to become active in homeland security through Neighborhood Watch groups.
