

# Don't Let the Flu Stop You!

October 3rd

October 31st

## Get Vaccinated for the 2011-2012 Flu Season at the Clayton County Board of Health

In the United States, more than 36,000 people die every year from seasonal flu complications. Young people and older adults are the most susceptible. Protect yourself and your family by getting your annual flu vaccination from the Clayton County Board of Health (CCBOH).

Beginning Oct. 3 through Oct. 31, 2011, the CCBOH will open its Express Flu Clinic, located at the front entrance of our Comprehensive Health Facility, 1117 Battle Creek Road in Jonesboro. During that time, residents will have the opportunity to receive a flu shot conveniently and inexpensively at the cost of \$20.00 for adults, \$14.00 for children, or free with approved insurance plans.

We will accept the following forms of payment: Cash, check, Medicaid, Medicare Part B, PeachCare, and State Health Benefit Plan insurances (Cigna and United Healthcare). Children under the age of 18 must have a parent present in order to receive the flu vaccine.

For more information call the Clayton County Board of Health at (678) 610-7361.
