Clayton County Board of Health Tourist Court Regulations

Section -.08 Sewage Disposal. Amended.

- (1) Connection shall be made to a public sewer whenever possible and feasible as determined by the health authority or other appropriate governmental agency.
- (2) Where public sewers are not available, as determined by the local governing agency, sewage disposal shall be provided to effectively dispose of all water carried wastes in a sanitary manner. No sewage, wastewater, or other liquid effluent shall be discharged in such manner as to enter surface or subsurface water except following a treatment process approved prior to construction in conformity with existing State and local laws. Such sewage disposal systems shall be constructed and maintained in a manner to prevent the creation of unsanitary conditions. Existing private sewage disposal systems giving satisfactory service as determined by the health authority may be approved by said authority.
