

JOB ANNOUNCEMENT

PrEP Navigator

PS: Health Educator – HCP030

Clayton County Health District 3-3

Clayton County, GA

Salary Range: \$42,000.00 - \$50,000.00

The Clayton County Health District is seeking a PrEP Navigator. This position is responsible for the planning and implementation of all prevention services related to PrEP including, but not limited to education assessment, evaluation, enrollment, data collection, financial assistance, and follow-up, and will work closely with the medical team for diagnostic testing and prescription refills. Under the supervision of the HIV Prevention Coordinator, the PrEP (Pre-exposure Prophylaxis) Navigator will be responsible for helping clients navigate and access HIV testing, PrEP treatment and care, and other community resources.

Job Responsibilities:

- Provide in-house and community outreach to at-risk populations to support HIV prevention.
- Provide rapid HIV testing and risk assessment counseling to clients.
- Provide culturally competent educational support regarding HIV risk reduction and PrEP services.
- Assess clients' level of risk as well as their intentions to initiate and comply with a PrEP regimen.
- Assist with benefit enrollment and access to financial assistance programs related to PrEP treatment and services.
- Conduct eligibility determination, enrollment, and follow-up for uninsured clients.
- Work collaboratively with program leadership, health department staff, and community partners to increase PrEP services within the district.
- Serve as a client advocate and liaison between the client and community organizations and healthcare entities.
- Make appropriate referrals to other healthcare services as appropriate.

Minimum Qualifications:

Bachelor's degree in education, social, behavioral, or biological sciences or a directly related field from an accredited college or university

OR

Master's degree in public health education from an accredited college or university

Preferred Qualifications:

- HIV Experience

Deadline for Applications: UNTIL FILLED

Employment Information

Current State employees are subject to State Personnel Board rules regarding salary.

DPH accepts educational credentials recognized by the Council for Higher Education Accreditation (CHEA) and/or the US Department of Education (DOE). Clayton County Health District will contact educational institutions to verify degree, diploma, licensure, etc.

As an employee of Clayton County Health District, in the event of an identified emergency you may be required, as a term and condition of employment, to assist in meeting the emergency responsibilities of the department.
