

JOB ANNOUNCEMENT

Physician Assistant – PA or NP

PS: Physician Assistant – HCP113

Clayton County Health District 3-3

Clayton County, GA

Salary Range \$95,000.00 - \$102,000.00

JOB SUMMARY:

We are the Clayton County Health District (CCHD). We are seeking an Advanced Practice Provider (NP or PA) to join our team of medical professionals. The successful candidate will be responsible for providing the healthcare services typically seen in a Family Practice office. Under the supervision of a licensed physician, he/she will be instrumental in maintaining the high quality, inclusive, evidence-based care which supports the success of our clinical operations. The ideal candidate will have excellent communication skills, a commitment to patient-centered care, and a passion for providing quality healthcare services. He/she must be able to shift seamlessly from supporting an individual patient to representing CCHD in addressing population health impacts in the community.

Primary Duties and Job Responsibilities:

- Diagnose and treat acute, episodic, or chronic illnesses
- Prescribe necessary medications and treatments
- Perform comprehensive patient examinations
- Develop and implement patient management plans
- Facilitate referrals to other healthcare professionals and medical facilities
- Communicate with collaborating physicians, specialists, and communities regarding patient care

Minimum Qualifications:

Completion of an accredited Nurse Practitioner program or Physician Assistant program

Currently licensed as an advanced practice nurse in the state of Georgia by the Georgia Board of Nursing and certified as a Nurse Practitioner by the American Nurses Credentialing Center (ANCC) or equivalent body; or Certified as a Physician's Assistant by the National Commission on Certification of Physician Assistants (NCCPA) or equivalent body.

Licensed & Certified as appropriate in the State of Georgia

Six (6) years of experience in related field

Master's degree in respective nursing field from an accredited college or university AND Six years of experience in a related area AND current license to practice as APRN in Georgia in the specialty area (Psychiatric specialty area requires a minimum of Six years mental health experience. Medical specialty area requires a minimum of Eight years mental health experience) OR Bachelor's degree in physician assistant studies from an accredited college or university AND Eight years of general medicine experience OR Bachelor's degree in a related field from an accredited college or university AND completion of a physician assistant training program of at least Twenty-Four months certified by the Accreditation Review Commission of PA, ARC-PA AND certification to practice as a Physician Assistant by the composite State Board of Medical Examiners AND Six years of experience in a related area.

Preferred Qualifications:

The successful candidate will be a multi-faceted Nurse Practitioner or Physician Assistant with a strong and demonstrated orientation to improving patient outcomes, a desire to practice within the full scope of his/her training and experience, and exhibit a high degree of professionalism.
